

## WHO WE ARE ABOUT ELEVAY

**WE ARE CITIZENSHIP AND RESIDENCY ADVISORS COMMITTED TO EXPANDING YOUR FREEDOM. WE HELP OUR CLIENTS UNLOCK THE DOORS TO A LIFE WITH FEWER BOUNDARIES AND MORE OPPORTUNITIES THAT CAN SOMETIMES ONLY COME WITH THE RIGHT CITIZENSHIP AND PASSPORT.**

Our name is inspired by the French word *Élevé*, meaning 'to rise' or 'to elevate'. We are a company dedicated to helping elevate our clients; to connect with the world on their own terms, secure their children's future, diversify their investments and conserve their wealth.

We are a Dubai-based international organization that has over 25+ years of experience in navigating the complex citizenship and residency by investment process on behalf of hundreds of highly satisfied clients.

But this isn't all we do, through years of helping people to get where they want to be, we have also expanded our services and the countries in which we work, delivering on our promise of a world class, reliable service to more people than ever before.

### WHAT DO WE PROVIDE?

A highly refined system for processing the volume of documentation necessary with zero margin for error.

A well established network of legal, immigration and real estate professionals, on the ground in the majority of places where the very best programs are offered.

An established culture of going the extra mile for our clients and a real understanding of the trust placed in us.

A firm belief that rather than just a product or service we are helping to change and improve client's lives forever.

## ABOUT EGYPT

Egypt has one of the longest histories of any country, tracing its heritage along the Nile Delta back to the 6th-4th millennia BCE. Considered a cradle of civilization, Ancient Egypt saw some of the earliest developments of writing, agriculture, urbanization, organized religion and central government. Iconic monuments such as the Giza Necropolis and its Great Sphinx, as well the ruins of Memphis, Thebes, Karnak, and the Valley of the Kings, reflect this legacy and remain a significant focus of scientific and popular interest.
